

**A Charter for Members and Associated Members of the European Bedding Industries' Association**

**As a member of EBIA, the European Bedding Industries' Association,**

.....  
**represented by** *(name)* .....

*(function)* .....

**agrees to:**

- Comply with the articles of Association of EBIA and any resolutions passed, agreements concluded or recommendations issued, adopted by a majority of the General Assembly;
- Further EBIA's interests in all respects;
- See to it that he, or the members he legitimately represents, manufacture mattresses, mattress components, bedding articles and relevant materials in compliance with standards recognized in Europe;
- Maintain integrity in all dealings, so that customers have total confidence in the product supplied or service offered knowing that it shall be fit for purpose and represent value for money, in the general interest of our industry;
- Strive for quality in every aspect of the business;
- Foster sound communication amongst the members;
- Provide relevant input and actively participate in EBIA's meetings and reunions to which he is invited and where his knowledge and experience provide a valuable contribution to matters of common interest best approached by a joint effort.
